(DDA 84-0195)

1. Forwarded herewith is a copy of the Consolidated Office of Logistics (OL) response to the DDA for recommendations contained in select Grace Commission Reports. (Attachment A). Please note that the D/L in his comments to the DDA pledged that, when and where possible, OL components would take unilateral action to adopt certain of the Grace Commission recommendation. The D/L also pledged that we would report the results of our efforts to the DDA.

2. Subsequent to forwarding the consolidated report to the DDA, each OL division and staff was provided a copy of the report, asked to review and retain the report and provide this staff with ad hoc progress reports on recommendations adopted. To date we have not received a progress report from any OL component.

3. It is therefore requested that you now review the attached copy of the original report to the DDA and identify those specific recommendations that can be adopted/implemented unilaterally by your respective division or staff. It is further requested, for the recommendations identified in your review, that you report on any progress or future plans for adopting/implementing those recommendations. Please submit your written response to this staff by COB 7 July 1984.
